- this Proxy Statement for the Annual Meeting;
and
- the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2019.

Notice of Internet Availability (Notice and Access)

Instead of mailing a printed copy of our proxy materials to each shareholder, we are furnishing proxy materials via the Internet. This reduces both the costs and the environmental impact of sending our proxy materials to our shareholders. If you received a “Notice of Internet Availability,” you will not receive a printed copy of the proxy materials unless you specifically request a printed copy. The Notice of Internet Availability will instruct you how to access and review all of the important information contained in the proxy materials. The Notice of Internet Availability also instructs you how to submit your proxy on the Internet and how to vote by telephone.

If you would like to receive a printed or emailed copy of our proxy materials, you should follow the instructions for requesting such materials included in the Notice of Internet Availability. In addition, if you received paper copies of our proxy materials and wish to receive all future proxy materials, proxy cards and annual reports electronically, please follow the electronic delivery instructions on www.proxyvote.com. We encourage shareholders to take advantage of the availability of the proxy materials on the Internet to help reduce the cost and environmental impact of our annual shareholder meetings.

The Notice of Internet Availability is first being sent to shareholders on or about June 22, 2020. Also on or about June 22, 2020, we will first make available to our shareholders this Proxy Statement and the form of proxy relating to the 2020 Annual Meeting filed with the SEC on June 22, 2020.

What is the proxy card?

The proxy card enables you to appoint David Jin, our Chief Executive Officer, and Luisa Ingargiola, our Chief Financial Officer, as your representatives at the Annual Meeting. By completing and returning a proxy card, you are authorizing these individuals to vote your shares at the Annual Meeting in accordance with your instructions on the proxy card. This way, your shares will be voted whether or not you attend the Annual Meeting.

What is the purpose of the Annual Meeting?

At our Annual Meeting, stockholders will act upon the matters outlined in the Notice of Annual Meeting on the cover page of this Proxy Statement, including:

(i) the election of nine persons named herein as nominees for directors of the Company, to hold office subject to the provisions of the bylaws of the Company, until the next annual meeting of stockholders and until their successors are duly elected and qualified;

(ii) ratification of the appointment of Marcum LLP as the Company's independent auditors for the fiscal year ending December 31, 2020; and

(iii) to approve the 2020 Incentive Plan and to authorize 5,000,000 shares of Common Stock for issuance thereunder.

In addition, management will act on such other matters as may properly come before the meeting or any adjournment thereof, report on the performance of the Company during fiscal year 2018 and respond to questions from stockholders.

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of the number of shares of common stock issued and outstanding on the record date will constitute a quorum permitting the meeting to conduct its business. As of the record date, there were 79,364,765 shares of Avalon common stock issued and outstanding. Thus, the presence of the holders of common stock representing at least 39,761,747 votes will be required to establish a quorum.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

Most of our stockholders hold their shares in an account at a brokerage firm, bank or other nominee holder, rather than holding share certificates in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially in street name.

How can I get electronic access to the proxy materials?

The Notice provides you with instructions regarding how to:

- view the Company's proxy materials for the Annual Meeting on the Internet;
- request hard copies of the materials; and
- instruct the Company to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save the Company the cost of printing and mailing documents to you and will reduce the impact of the Company's annual meetings on the environment. If you choose to receive future proxy materials by email, you will receive an email message next year with instructions containing a link to those materials and a link to the proxy voting website. Your election to receive proxy materials by email will remain in effect until you terminate it.

Stockholder of Record

If on June 12, 2020, your shares were registered directly in your name with our transfer agent, Vstock Transfer Inc., Inc., you are considered a stockholder of record with respect to those shares, and the Notice of Annual Meeting and Proxy Statement was sent directly to you by the Company. As the stockholder of record, you have the right to direct the voting of your shares by returning the proxy card to us. Whether or not you plan to attend the Annual Meeting, if you do not vote over the Internet, please complete, date, sign and return a proxy card to ensure that your vote is counted.

Beneficial Owner of Shares Held in Street Name

If on June 12, 2020, your shares were held in an account at a brokerage firm, bank, broker-dealer, or other nominee holder, then you are considered the beneficial owner of shares held in "street name," and the Notice of Annual Meeting & Proxy statement was forwarded to you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to instruct that organization on how to vote the shares held in your account. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you receive a valid proxy from the organization.

How do I vote?

Stockholders of Record. If you are a stockholder of record, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Mail.* You may vote by completing, signing, dating and returning your proxy card in the pre-addressed, postage-paid envelope provided.
- *O n l i n e a t t h e M e e t i n g .* You can vote at the meeting at www.virtualshareholdermeeting.com/AVCO2020.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name, you may vote by any of the following methods:

- *Via the Internet.* You may vote by proxy via the Internet by following the instructions provided on the enclosed Proxy Card.
- *By Mail.* You may vote by proxy by filling out the vote instruction form and returning it in the pre-addressed, postage-paid envelope provided.
- *Online at the Meeting.* You can vote at the meeting at www.virtualshareholdermeeting.com/AVCO2020.

What are abstentions and broker non-votes?

While the inspector of elections will treat shares represented by proxies that reflect abstentions or include “broker non-votes” as shares that are present and entitled to vote for purposes of determining the presence of a quorum, abstentions or “broker non-votes” do not constitute a vote “for” or “against” any matter and thus will be disregarded in any calculation of “votes cast.” However, abstentions and “broker non-votes” will have the effect of a negative vote if an item requires the approval of a majority of a quorum or of a specified proportion of all issued and outstanding shares.

Brokers holding shares of record for customers generally are not entitled to vote on “non-routine” matters, unless they receive voting instructions from their customers (*see What happens if I do not give specific voting instructions*). As used herein, “uninstructed shares” means shares held by a broker who has not received voting instructions from its customers on a proposal. A “broker non-vote” occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter.

What happens if I do not give specific voting instructions?

Stockholders of Record. If you are a stockholder of record and you:

- indicate when voting on the Internet that you wish to vote as recommended by the Board of Directors,
or
- sign and return a proxy card without giving specific voting instructions, then the proxy holders will vote your shares in the manner recommended by the Board of Directors on all matters presented in this Proxy Statement and as the proxy holders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting.

Beneficial Owners of Shares Held in Street Name. If you are a beneficial owner of shares held in street name and do not provide the organization that holds your shares with specific voting instructions, under the rules of various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters, but not on non-routine matters. Under New York Stock Exchange (“NYSE”) rules, if your shares are held by a member organization, as that term is defined under NYSE rules, responsibility for making a final determination as to whether a specific proposal constitutes a routine or non-routine matter rests with that organization, or third parties acting on its behalf.

What are the Board’s recommendations?

The Board’s recommendation is set forth together with the description of each item in this Proxy Statement. In summary, the Board recommends a vote:

- *for* election of the nine director nominees named in the Proxy Statement to hold office until the next annual meeting of stockholders and until their successors are duly elected and qualified;

- for ratification of the appointment of Marcum LLP as the Company's independent auditors for the fiscal year ending December 31, 2020; and
- to approve the 2020 Incentive Plan and to authorize 5,000,000 shares of Common Stock for issuance thereunder.

With respect to any other matter that properly comes before the Annual Meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion.

How are proxy materials delivered to households?

Only one copy of the Company's Notice of Internet Availability, Annual Report on Form 10-K for the fiscal year ending December 31, 2019 and this Proxy Statement will be delivered to an address where two or more stockholders reside with the same last name or who otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

We will deliver promptly upon written or oral request a separate copy of the Company's Annual Report on Form 10-K for the fiscal year ending December 31, 2019 and this Proxy Statement. Interest of Officers and Directors in matters to be acted upon

In accordance with corporate governance principles, the Board does not involve itself in day-to-day operations. The directors keep themselves informed through discussions with the Chief Executive Officer and other key executives, visits to the Company's facilities, by reading the reports and other materials that we send them and by participating in Board and committee meetings. Each director's term will continue until the election and qualification of his or her successor, or his or her earlier death, resignation or removal. Biographical information about our directors is provided in "Proposal No. 1 — Proposal for the Election of Nine Directors" on page 20. The primary responsibility of our board of directors is to provide oversight, strategic guidance, counseling, and direction to our management team. Our board of directors meets on a regular basis and additionally as required.

A majority of the authorized number of directors constitutes a quorum of the Board of Directors for the transaction of business. The directors must be present at the meeting to constitute a quorum. However, any action required or permitted to be taken by the Board of Directors may be taken without a meeting if all members of the Board of Directors individually or collectively consent in writing to the action.

Director Independence

Our board of directors currently consists of nine (9) members. Our board of directors has determined that Yancen Lu, William B. Stilley, III, Steven A. Sanders, Tevi Troy and Yue "Charles" Li, qualify as independent directors in accordance with the Nasdaq Capital Market ("Nasdaq") listing requirements. Mr. Wenzhao "Daniel" Lu, Dr. David Jin Mr. Wilbert J. Tauzin II and Ms. Meng Li are not considered independent. Nasdaq's independence definition includes a series of objective tests, such as that the director is not, and has not been for at least three (3) years, one of our employees and that neither the director nor any of his or her family members has engaged in various types of business dealings with us. In addition, as required by Nasdaq rules, our board of directors has made a subjective determination as to each independent director that no relationships exist that, in the opinion of our board of directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our board of directors reviewed and discussed information provided by the directors and us with regard to each director's business and personal activities and relationships as they may relate to us and our management. There are no family relationships among any of our directors or executive officers.

As required under Nasdaq rules and regulations, our independent directors meet in regularly scheduled executive sessions at which only independent directors are present.

Family Relationships

There are no family relationships among our directors or executive officers.

Board Leadership Structure and Role in Risk Oversight

Our Board of Directors, or the Board, is primarily responsible for overseeing our risk management processes on behalf of our company. The Board receives and reviews periodic reports from management, auditors, legal counsel, and others, as considered appropriate regarding our company's assessment of risks. In addition, the Board focuses on the most significant risks facing our company and our company's general risk management strategy, and also ensures that risks undertaken by our company are consistent with the board's appetite for risk. While the Board oversees our company's risk management, management is responsible for day-to-day risk management processes. We believe this division of responsibilities is the most effective approach for addressing the risks facing our company and that our board leadership structure supports this approach.

Involvement in Certain Legal Proceedings

To our knowledge, our directors and executive officers have not been involved in any of the following events during the past ten years:

- any bankruptcy petition filed by or against such person or any business of which such person was a general partner or executive officer either at the time of the bankruptcy or within two years prior to that time;

- being subject of or party to any sanction or order, not subsequently reversed, suspended, or vacated, of any self-regulatory organization, any registered entity or any equivalent exchange, association, entity or organization that has disciplinary authority over its members or persons associated with a member.

- developing and maintaining our codes of conduct and ethics;
- overseeing the interpretation and enforcement of our Code of Conduct and our Code of Ethics for Chief Executive Officer and Senior Financial and Accounting Officers;
- evaluating the performance of our board of directors, its committees, and committee chairmen and our directors; and
- selecting and recommending a slate of director nominees for election at each of our annual meetings of the stockholders and recommending to the board director nominees to fill vacancies or new positions on the board of directors or its committees that may occur from time to time.

During 2019, the Nominating and Corporate Governance Committee meet one time. The Governance Committee is governed by a written charter approved by our board of directors. A copy of the Governance Committee’s charter is posted on the Company’s website at www.avalon-globocare.com in the “Investors” section of the website. In identifying potential independent board of directors’ candidates with significant senior-level professional experience, the Governance Committee solicits candidates from the board of directors, senior management and others and may engage a search firm in the process. The Governance Committee reviews and narrows the list of candidates and interviews potential nominees. The final candidate is also introduced and interviewed by the board of directors and the lead director if one has been appointed. In general, in considering whether to recommend any particular candidate for inclusion in our board of directors’ slate of recommended director nominees, the Governance Committee will apply the criteria set forth in our corporate governance guidelines. These criteria include the candidate’s integrity, business acumen, commitment to understanding our business and industry, experience, conflicts of interest and the ability to act in the interests of our stockholders. Further, specific consideration is given to, among other things, diversity of background and experience that a candidate would bring to our board of directors. The Governance Committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. We believe that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will allow our board of directors to fulfill its responsibilities. Stockholders may recommend individuals to the Governance Committee for consideration as potential director candidates by submitting their names, together with appropriate biographical information and background materials to our Governance Committee. Assuming that appropriate biographical and background material has been provided on a timely basis, the Governance Committee will evaluate stockholder recommended candidates by following substantially the same process, and applying substantially the same criteria, as it follows for candidates submitted by others.

PROPOSAL NO. 3

APPROVAL OF THE AVALON GLOBOCARE INC. 2020 INCENTIVE STOCK PLAN AND THE RESERVATION OF 5,000,000 SHARES OF COMMON STOCK FOR ISSUANCE THEREUNDER

At the Annual Meeting, the Company's stockholders are being asked to approve the 2020 Incentive Stock Plan (the "2020 Incentive Plan") and to authorize 5,000,000 shares of Common Stock for issuance thereunder. The following description of the principal terms of the 2020 Incentive Plan is a summary and is qualified in its entirety by the full text of the 2020 Incentive Plan, which is attached as Appendix A to this proxy statement. This summary does not purport to be a complete description of all the provisions of the 2020 Incentive Plan.

General

The 2020 Incentive Plan was adopted by our board of directors on June 12, 2020, subject to the approval of our stockholders. The board believes that the 2020 Incentive Plan will advance the Company's interests by enhancing our ability to (a) attract, retain and reward employees, officers, directors and consultants who are in a position to make significant contributions to our success; and (b) encourage our employees, officers, directors and consultants to take into account our long-term interests through ownership of our shares of Common Stock.

The board has reserved 5,000,000 shares of Common Stock for issuance under the 2020 Incentive Plan, subject to customary adjustments for stock splits, stock dividends or similar transactions. Under the 2020 Incentive Plan, awards may be made in the form of options to purchase shares of our Common Stock, as well as restricted shares of our Common Stock and restricted stock units payable in shares of our Common Stock (collectively, "awards"). Options may be granted which are intended to qualify as Incentive Stock Options ("ISOs") under Section 422 of the Internal Revenue Code of 1986 (the "Code") or which are not ("Non-ISOs") intended to qualify as Incentive Stock Options thereunder. However, ISOs may only be granted to employees. If any option granted under the 2020 Incentive Plan terminates without having been exercised in full or if any award is forfeited, or if shares otherwise issuable are withheld to satisfy tax withholding obligations, the number of shares of Common Stock as to which such option or award was forfeited or withheld will be available for future grants under the 2020 Plan.

The 2020 Incentive Plan is not a qualified deferred compensation plan under Section 401(a) of the Internal Revenue Code and is not subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Purpose

The primary purpose of the 2020 Incentive Plan is to attract and retain the best available personnel for the Company in order to promote the success of the Company's business and to facilitate the ownership of the Company's Common Stock by employees, officers, directors and consultants in order for them to acquire a proprietary interest in the success of the Company. In the event that the 2020 Incentive Plan is not adopted, the Company will be required to rely on granting equity under the 2019 Incentive Stock Plan and may have considerable difficulty in attracting and retaining qualified personnel, officers, directors and consultants.

Administration

The 2020 Incentive Plan is administered by the Compensation Committee of our board of directors. The Compensation Committee has authority to determine the kind of awards to grant, the persons who will receive awards, and the terms and conditions of each award. The Compensation Committee may adopt, amend and rescind rules and regulations for the administration of the 2020 Incentive Plan. All questions of interpretation of the 2020 Incentive Plan are determined by the Compensation Committee, and its decisions are final and binding upon all participants.

Eligibility

Awards under the 2020 Incentive Plan may be granted to employees, officers, directors and consultants of the Company and its subsidiaries, as provided in the 2020 Incentive Plan. As of December 31, 2019, our Company and its subsidiaries had a total of eight employees, including three executive officers. As awards under the 2020 Incentive Plan are within the discretion of the Compensation Committee, we cannot determine how many individuals in each of the categories described above will receive awards.

Terms of Options

The term of each Option granted under the Plan will be contained in a stock option grant agreement between the optionee and the Company, the terms of which will be determined by the Compensation Committee consistent with the provisions of the Plan, including the following:

(a) PURCHASE PRICE. The Compensation Committee will determine the exercise price of each option granted under the 2020 Plan. The exercise price of an option may not be less than the fair market value of a share of Common Stock on the date of grant, as set forth in the 2020 Incentive Plan (or 110% of the fair market value per share in the case of an ISO granted to a ten-percent or more shareholder). If on the date of grant the Common Stock is listed on a stock exchange or is quoted on the automated quotation system of NASDAQ, the fair market value shall generally be the closing sale price on the date of grant (or, if no trades were made on the date of grant, for the last trading day before the date of grant). If no such prices are available, the fair market value shall be determined in good faith by the Compensation Committee based on the reasonable application of a reasonable valuation method. On June 16, 2020, the closing sale price of a share of Common Stock on the NASDAQ Stock Market was \$1.64.

Generally, the exercise price may be paid (a) in cash or by check, (b) through delivery of shares of our Common Stock having a fair market value equal to the purchase price, or (c) a combination of these methods. The Compensation Committee is also authorized to establish a cashless exercise program and to permit the exercise price to be satisfied by reducing from the shares otherwise issuable upon exercise a number of shares having a fair market value equal to the exercise price.

(b) VESTING. The dates on which each option (or portion thereof) may become exercisable and the conditions precedent to such exercise, if any, shall be determined by the Compensation Committee, in its discretion, at the time such option is granted. No employee may receive ISOs that first become exercisable in any calendar year in an amount exceeding \$100,000. An option may be granted with a right that allows the optionee to exercise the option in full or in part before it becomes vested, in which case the shares acquired will be subject to repurchase by the Company if the optionee's employment or service terminates before the original exercise date(s) of the option.

(c) EXPIRATION. The expiration date of each option will be determined by the Compensation Committee, in its discretion, at the time such option is granted; however, unless otherwise determined by the Compensation Committee at the time such option is granted, an option shall be exercisable for ten (10) years after the date on which it was granted (five years in the case of an ISO granted to a ten-percent or more shareholder). Each option will be subject to earlier termination as expressly provided in the 2020 Incentive Plan or as determined by the Compensation Committee, in its discretion, at the time such option is granted.

(d) TRANSFERABILITY. Options are not transferable, except by will or the laws of descent and distribution, and any option may be exercised during the lifetime of the optionee only by him or her. No option granted under the Plan may be subject to execution, attachment or other process.

Terms and Conditions of Other Stock Awards

The Compensation Committee may also grant restricted stock awards and restricted stock unit awards under the Plan. Under a restricted stock award, shares of Common Stock that are the subject of the award are generally subject to forfeiture to the extent that the recipient terminates employment or service with us prior to the award having vested or if any performance goals established by the Compensation Committee as a condition of vesting are not achieved. Shares of Common Stock subject to a restricted stock award cannot be sold, transferred, assigned, pledged or otherwise encumbered or disposed of by the recipient of the award unless and until the applicable restrictions lapse. Unless otherwise determined by the Compensation Committee, holders of restricted shares will have the right to vote such shares and to receive any cash dividends with respect thereto during the restriction period. Any stock dividends will be subject to the same restrictions as the underlying shares of restricted stock.

Under a restricted stock unit award, restricted stock units that are the subject of the award are generally subject to forfeiture to the extent that the recipient terminates employment or service with us prior to the award having vested or if the performance goals established by the Compensation Committee as a condition of vesting are not achieved. To the extent that the award of restricted stock units vests, the recipient shall become entitled to receive a number of shares of Common Stock equal to the number of restricted stock units that became vested. Restricted stock units cannot be sold, transferred, assigned, pledged or otherwise encumbered or disposed of by the recipient of the award and during a recipient's lifetime may be exercised only by the recipient. Prior to the delivery of shares of Common Stock with respect to an award of restricted stock units, the recipient shall have no rights as a shareholder of our Company. The Compensation Committee may award restricted stock units with rights to cash dividend equivalents which may be paid during the applicable vesting period or accumulated and paid at the end of the applicable vesting period.

Effect of a Change in Control. The Compensation Committee may, at the time of the grant of an award provide for the effect of a change in control (as defined in the 2020 Incentive Plan) on any award, including (i) accelerating or extending the time periods for exercising, vesting in, or realizing gain from any award, (ii) eliminating or modifying the performance or other conditions of an award, or (iii) providing for the cash settlement of an award for an equivalent cash value, as determined by the Compensation Committee. The Compensation Committee may, in its discretion and without the need for the consent of any recipient of an award, also take one or more of the following actions contingent upon the occurrence of a change in control: (a) cause any or all outstanding options to become immediately exercisable, in whole or in part; (b) cause any other awards to become non-forfeitable, in whole or in part; (c) cancel any option in exchange for a substitute option; (d) cancel any award of restricted stock or restricted stock units in exchange for a similar award of the capital stock of any successor corporation; (e) cancel or terminate any award for cash and/or other substitute consideration in exchange for an amount of cash and/or property equal to the amount, if any, that would have been attained upon the exercise of such award or realization of the participant's rights as of the date of the occurrence of the change in control, but if the change in control consideration with respect to any option does not exceed its exercise price, the option may be canceled without payment of any consideration; or (f) make such other modifications, adjustments or amendments to outstanding awards as the Compensation Committee deems necessary or appropriate.

Clawback/Recoupment. Awards granted under the 2020 Incentive Plan will be subject to the requirement that the awards be forfeited or amounts repaid to the Company after they have been distributed to the participant (i) to the extent set forth in an award agreement or (ii) to the extent covered by any clawback or recapture policy adopted by the Company from time to time, or any applicable laws that impose mandatory forfeiture or recoupment, under circumstances set forth in such applicable laws.

Termination, Modification and Amendment. The 2020 Incentive Plan (but not awards previously granted under the Plan) shall terminate ten (10) years from the date on which the Plan is approved by stockholders, and no award may be granted after termination of the Plan. Subject to certain restrictions, the Plan may at any time be terminated and from time to time be modified or amended by the affirmative vote of the holders of a majority of the outstanding shares of the capital stock of the Company present, or represented, and entitled to vote at a meeting duly held in accordance with the applicable laws of the State of Delaware.

THIS SUMMARY DOES NOT PURPORT TO BE COMPLETE AND DOES NOT ADDRESS THE FEDERAL INCOME TAX CONSEQUENCES TO TAXPAYERS WITH SPECIAL TAX STATUS. IN ADDITION, THIS SUMMARY DOES NOT DISCUSS THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE PARTICIPANT MAY RESIDE, AND DOES NOT DISCUSS ESTATE, GIFT OR OTHER TAX CONSEQUENCES OTHER THAN INCOME TAX CONSEQUENCES. THE COMPANY ADVISES EACH PARTICIPANT TO CONSULT HIS OR HER OWN TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE 2020 INCENTIVE PLAN AND FOR REFERENCE TO APPLICABLE PROVISIONS OF THE CODE.

Incentive Stock Options

The recipient of an incentive stock option generally will not be taxed upon grant of the option. Federal income taxes are generally imposed only when the shares of common stock from exercised incentive stock options are disposed of, by sale or otherwise. The amount by which the fair market value of the common stock on the date of exercise exceeds the exercise price is, however, included in determining the option recipient's liability for the alternative minimum tax. If the incentive stock option recipient does not sell or dispose of the shares of common stock until more than one year after the receipt of the shares and two years after the option was granted, then, upon sale or disposition of the shares, the difference between the exercise price and the market value of the shares of common stock as of the date of exercise will be treated as a capital gain, and not ordinary income. If a recipient fails to hold the shares for the minimum required time the recipient will recognize ordinary income in the year of disposition generally in an amount equal to any excess of the market value of the common stock on the date of exercise (or, if less, the amount realized or disposition of the shares) over the exercise price paid for the shares. Any further gain (or loss) realized by the recipient generally will be taxed as short-term or long-term gain (or loss) depending on the holding period. We will generally be entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the option recipient, if any.

Nonstatutory Stock Options

The recipient of stock options not qualifying as incentive stock options generally will not be taxed upon the grant of the option. Federal income taxes are generally due from a recipient of nonstatutory stock options when the stock options are exercised. The excess of the fair market value of the common stock purchased on such date over the exercise price of the option is taxed as ordinary income. Thereafter, the tax basis for the acquired shares is equal to the amount paid for the shares plus the amount of ordinary income recognized by the recipient. We will generally be entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the option recipient by reason of the exercise of the option.

Other Awards

Recipients who receive restricted stock unit awards will generally recognize ordinary income when they receive shares upon settlement of the awards, in an amount equal to the fair market value of the shares at that time. Recipients who receive awards of restricted shares subject to a vesting requirement will generally recognize ordinary income at the time vesting occurs, in an amount equal to the fair market value of the shares at that time minus the amount, if any, paid for the shares. However, a recipient who receives restricted shares which are not vested may, within 30 days of the date the shares are transferred, elect in accordance with Section 83(b) of the Code to recognize ordinary compensation income at the time of transfer of the shares rather than upon the vesting dates. We will generally be entitled to a tax deduction at the same time and in the same amount as ordinary income is recognized by the recipient.

Restrictions on Resale

Certain officers and directors of the Company may be deemed to be “affiliates” of the Company as that term is defined under the Securities Act. The Common Stock acquired under the 2020 Incentive Plan by an affiliate may be reoffered or resold only pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or another exemption from the registration requirements of the Securities Act. It is intended that the shares issuable pursuant to the 2020 Incentive Plan will be registered under the Securities Act of 1933, as amended.

Potential Limitation on Company Deductions

Section 162(m) of the Code generally disallows a tax deduction for compensation in excess of \$1 million paid in a taxable year by a publicly held corporation to its chief executive officer and certain other “covered employees”. Our board of directors and Compensation Committee intend to consider the potential impact of Section 162(m) on grants made under the 2020 Incentive Plan, but reserve the right to approve grants of options and other awards for an executive officer that exceeds the deduction limit of Section 162(m).

Tax Withholding

As and when appropriate, we shall have the right to require each optionee purchasing shares of Common Stock and each grantee receiving an award of Common Stock under the 2020 Incentive Plan to pay any federal, state or local taxes required by law to be withheld.

New Plan Benefits

No awards will be granted under the 2020 Incentive Plan prior to its approval by our shareholders. The grant of options and other awards under the 2020 Incentive Plan is discretionary, and we cannot determine now the number or type of options or other awards to be granted in the future to any particular person or group.

Securities Issuable Pursuant to Other Equity Compensation Plans

For information regarding securities issuable pursuant to our 2019 Incentive Plan, please see the information in this proxy statement set forth under the caption “Executive Compensation - Equity Compensation Plan Information.”
