Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On February 9, 2022, Avalon GloboCare Corp. (the “Company”) received notice from The Nasdaq Stock Market (“Nasdaq”) that the closing bid price for the Company’s common stock had been below \$1.00 per share for the previous 30 consecutive business days, and that the Company is therefore not in compliance with the minimum bid price requirement for continued inclusion on The Nasdaq Capital Market under Nasdaq Listing Rule 5550(a)(2) (the “Rule”).

Nasdaq’s notice has no immediate effect on the listing or trading of the Company’s common stock on The Nasdaq Capital Market.

The notice indicates that the Company will have 180 calendar days, until August 8, 2022, to regain compliance with this requirement. The Company can regain compliance with the \$1.00 minimum bid listing requirement if the closing bid price of its common stock is at least \$1.00 per share for a minimum of ten (10) consecutive business days during the 180-day compliance period. If the Company does not regain compliance during the initial compliance period, it may be eligible for additional time to regain compliance. To qualify, the Company will be required to meet the continued listing requirement for market value of its publicly held shares and all other Nasdaq initial listing standards, except the bid price requirement, and will need to provide written notice to Nasdaq of its intention to cure the deficiency during the second compliance period by effecting a reverse stock split, if necessary. If the Company is not eligible or it appears to Nasdaq that the Company will not be able to cure the deficiency during the second compliance period, Nasdaq will provide written notice to the Company that the Company’s common stock will be subject to delisting. In the event of such notification, the Company may appeal Nasdaq’s determination to delist its securities, but there can be no assurance that Nasdaq would grant the Company’s request for continued listing.

The Company intends to actively monitor the minimum bid price of its common stock and may, as appropriate, consider available options to regain compliance with the Rule. There can be no assurance that the Company will be able to regain compliance with the Rule or will otherwise be in compliance with other Nasdaq listing criteria.
